

Technical Reference

Capstone Remote Monitoring System (Maintenance Edition)

This document (plus the User Edition), presents the additional capability to monitor, control, and troubleshoot the MicroTurbine via the Capstone Remote Monitoring System (CRMS) software

Chapter 10: Release Notes

This chapter describes the current and relevant software Release Notes.

These Release Notes contain known operational conditions associated with the operation of CRMS.

There are no known operational conditions or problems associated with this version of the Maintenance edition of CRMS.

You should also refer to the Release Notes in the CRMS User Edition document.
